

Legenda

This legend section is partially visible on the right side of the page. It contains several entries, each with a corresponding symbol or color swatch. The entries include:

- Line symbols for roads and railways.
- Area symbols with different hatching patterns, likely representing various types of terrain or land use.
- Color swatches for water bodies (blue) and other geographical features.
- Text labels for specific symbols, such as 'Ponte e tralicci' (bridges and power lines).

The legend is partially obscured by a large, faint watermark or grid pattern on the right side of the page.
